**JOHN DEERE**

# JOHN DEERE TECH PROGRAM

*"I attended the John Deere Tech Program at Southeast Community College in Milford. It was the right mix of classroom learning and hands-on. It was great to be able to practice while in school with techs at the dealership; they were helpful and supportive. I graduated with the knowledge necessary to become a highly skilled technician. The best part, was having no college debt and earning a great wage right out of school."*

## Why Choose LandMark?

### NO COLLEGE DEBT!

- \$5,000 tool stipend
- Off-campus training
- Paid COOP hours
- Guaranteed employment after graduation
- 100% of tuition, fees, books, and room and board reimbursed
- Flexible Scheduling
- Continuing Education
- Full Benefits within 60 days

The John Deere Tech program is an elite two-year program designed to graduate John Deere Certified Technicians. In the program, you will have the opportunity to learn about engine and fuel systems, hydraulics and power trains, electrical and electronics, heating and air conditioning and Oxy Acetylene and Gas Metal Arc Welding. The coursework will consist of lectures and labs taken on campus. Your off-campus training will be at the LandMark Implement dealership sponsoring you at school. If you like hands-on learning or working with cutting edge technology, this program is for you.

## Tuition Assistance & Housing Program

Landmark Implement offers students attending a John Deere program at Southeast Community College in Nebraska or Garden City Community College in Kansas a debt free degree.

All qualified students will receive reimbursement for 100% of college tuition, fees, books and room and board plus a \$5,000 tool stipend and John Deere toolbox. Students will be paid a competitive hourly wage for their cooperation hours in the shop and be guaranteed employment at one of our Landmark locations post-graduation.

To qualify, students must sign a five-year agreement\*. The tuition reimbursement payback will be pro-rated for 60 months post-graduation. If either party ends the partnership during the five-year agreement, reimbursement payments will cease.

\*Three year agreements are available without room and board assistance.

## Steps To Apply:

- Contact our Recruitment Specialist, Deanna, at 402-310-7561 or email [deannahagen@landmarkimp.com](mailto:deannahagen@landmarkimp.com)
- LandMark will assist you in partnering with one of their locations as your base shop for off-campus training.
- Apply to the John Deere Technician Program at Southeast Community College in Nebraska or Garden City Community College in Kansas.
- Apply for your financial aid and scholarships through your high school, college or other organizations.

BECOME A PART OF THE **LANDMARK** DIFFERENCE.
