

The Power of the ACT in Nebraska

The dollar amount in each box represents the tuition cost (after merit-based scholarships) that a student with the given test score (listed across the top of each table) would pay for one year of tuition (15 credits per semester) at that college. (non-tuition costs – fees, housing, meals, and books – often add up to an additional ~\$12,500 per year.)

\$1000	Blue boxes signify automatic scholarships (as listed on the college's website). Automatic awards often also require a minimum GPA or class rank.
\$1000	Light gray boxes signify eligibility for the award, which can require a separate application.
	Blank boxes signify no merit-based scholarship based primarily on that ACT or SAT score at this college; therefore, the student might expect to pay full tuition. The student should still apply for other merit-based and need-based scholarships.

If an entire row is blank, the school does not organize its scholarships by test score or does not provide this specific information on its website. An asterisk * means that fees are included in the school's base tuition, which lowers the remaining non-tuition costs (textbooks, housing, and meals) from approximately \$12,500 to approximately \$11,000 per year.

If a school offers a non-renewable award, the award is averaged through the years of attendance. For example, if a four-year school offers a one-year award of \$5000, the amount is \$1250 less than total tuition, as the scholarship is divided by 4.

** Currently, several colleges are awarding some or all merit scholarships without an ACT score. Still, submitting an ACT score can be a competitive advantage for these highly sought-after awards and may increase the likelihood of receiving the scholarship. A number sign # below means tuition amounts were based on ACT scores necessary pre-Covid.

Figures are current as of August 2022.

- Merit-based (academic) institutional scholarships for in-state students are listed. They are automatically awarded and renewable unless otherwise noted.
- Estimated annual tuition is based on 30 total credit hours – one year of classes at 15 credits per semester.
- Non-tuition costs – fees, housing, meals, and books – typically amount to about \$12,500 per year. Some schools have higher costs for housing and meal plans; however, budget-conscious students typically have multiple options in these categories. Some schools also have much higher fees than other colleges; fees are unavoidable.
- All criteria listed are required for consideration for a scholarship unless the word “or” is specifically noted.
- **Figures are current as of August 2022.**
- **Currently, several colleges are awarding some or all merit scholarships without an ACT score. Still, submitting an ACT score can be a competitive advantage for these highly sought-after awards and may increase the likelihood of receiving the scholarship. MIDWEST STUDENT EXCHANGE PROGRAM

<https://msep.mhec.org/>

The Midwest Student Exchange Program, or MSEP, is a multi-state tuition reciprocity program. Through the MSEP, public institutions agree to charge students no more than 150% of the in-state resident tuition rate for specific programs; private institutions offer a 10% reduction on their tuition rates. All enrollment decisions are made at the discretion of the receiving campus and the campus may exercise its right to limit participation or set specific admission requirements for MSEP. For more information, visit <https://msep.mhec.org/>

Your College Preparation Strategies

Test Scores

Take the ACT or SAT four times to get your highest score possible. (Students in Federal Free & Reduced lunch programs can take 4 free ACTs & 2 free SATs).

Colleges only consider your highest scores.

Apply

Create more competition and earn more generous scholarships by applying to at least 5 four-year schools. If you are only considering two-year colleges, apply to at least 2 schools.

Finish Strong

Maintain a high GPA. Most academic scholarships consider both GPA and test scores. Also, excel in at least one extracurricular activity. Create a 90-second video to show your skills to colleges.

Ready to increase your test scores and prepare for college?

At School

Build ACT or SAT Prep into your schedule and increase your scores.

In-Person

Attend live, engaging, interactive ACT Prep classes with John Baylor in Lincoln, Omaha, or online from anywhere.

Online

Prepare for the ACT or SAT anytime, anywhere.

One-on-One Tutoring

Work directly with an OnToCollege tutor for personalized test prep, in-person or online.
